Judy,

We just published the report late last week & said we'd get it posted on line in 2 weeks (mid October). Matt is gone this week, but Karen T is working with our web folks to get it posted. I guess I'd say DEQ just completed the report & it will be on-line by mid-October.

Jim and Matt -

I am sending out a news brief to my e-mail list serv this morning. I can include this item if you want, but I notice that the document isn't posted on the joint source control strategy page yet. It is fairly important to include a link to the document..

Unless you want me to wait, I will include it in another news brief that is going out next week. This will still be timely.

Let me know,

Judy

Kristine,

We got the cover letter & 2 copies of the Milestone Report out to you in the mail Friday.

Chip & Eric,

I'll be near your office over lunch today. I'll drop a hard copy of the cover letter & report off to you then.
